Subject: Timeline for Blades

Hi Lorie,

We will attach the written responses to the OLEM questions that you provided on Blades to the OLEM briefing document as background but we needed to simplify into a graphic for the presentation. I took the detailed info you provided and made these timelines (see attached). Can you please take a look for accuracy? Feel free to make any changes but need to have by COB today.

Also, someone from our RCRA office will be calling you if they haven't already to ask about the state.

Thanks.

Terry
